

South Central Ambulance District

3100 US Highway 6

Rome, Ohio 44085

Phone: (440)563-5619

Fax: (440)563-3733

Email: sbuehner@scadems.org

To all the members, past members, and future members of the South Central Ambulance District we hope 2020 has treated you well.

The Board of Trustees, EMT's and Paramedic's here at SCAD would like to take the opportunity to wish you good health and good luck in 2021.

Once again, it is time to join or renew your ambulance membership. Being a member protects you from "out of pocket" expense should you need to use the SCAD's emergency services during the membership year. If you are covered by insurance, Medicare or Medicaid the charges will be sent to them.

Your \$15.00 or more donation helps support training, equipment, and operations. All of these things help us maintain the professional ambulance service that you are accustomed to. The membership drive is very important to our operation. Please take time now while it is on your mind, to write your membership donation of \$15.00 or more and return it and the membership form in the envelope provided. The membership is good from January 1, 2021 through December 31, 2021.

EMERGENCY AMBULANCE SERVICE will be provided regardless of membership status, 24 hours a day, 7 days a week, at our regular fee.

Thank you and stay safe!

A handwritten signature in black ink, appearing to read "SMB", written over a horizontal line.

Shaun M Buehner, EMS Chief

REMEMBER, FOR AN EMERGENCY CALL "911"

If you or anyone you know is interested in becoming an EMT and joining our department, please call for information. We need more EMT's to join our staff.

Please make sure your house number is clearly visible from both directions of travel. Recommended size is 3 inches high and made of reflective materials. Signs are sold by our auxiliary, please call for information.

CPR classes are held monthly and are posted on our website calendar. Please visit the site to learn more about our department and upcoming events. www.southcentralambulance.com
